

Target Market and Product Fair Value Statements

The purpose of this document is to explain the identified target market and the expected distribution strategy for each Commercial Lines Insurance product manufactured by Modus, a trading style of Acrisure UK MGA Ltd (Modus), and our capacity partners. It also outlines our approach to Product Oversight and Governance to demonstrate how we design, monitor and review our products to ensure they continue to provide fair value and meet the needs, characteristics and objectives of the target market including vulnerable customers.

Product Oversight and Governance

Modus' Product Governance Policy sets out the standards that Modus is required to implement to ensure the achievement of fair value and good customer outcomes by having robust product oversight and governance arrangements, systems, policies and procedures in place, which encourage a business culture with customers' interests at its core.

- We identify, define and assess our target markets at an appropriate level, based on the nature and complexity of our products.
- We undertake appropriate testing of our new products before launch, to make sure they meet our customers' needs and provide fair value.
- The design and performance of all our new, existing and legacy products are subject to regular assessment and review to ensure products provide fair value and that there is a continuing customer-centric focus, achieving good customer outcomes.
- The features, nature and complexity of our products are carefully matched to our intended distribution channels to ensure they reach our identified target market.

These requirements are in place in order to ensure that all Modus UK customers receive fair value and that good customer outcomes are delivered in line with Modus' defined customer outcome statements.

Target Market Statements

Target Market Statements provide information about all of the Modus products distributed. This includes:

- The main features and optional covers associated with our products.
- Who our products are designed for and who they are not designed for.
- How our products should be distributed.
- The complexity of our products.
- How to ensure that our product provides fair value to customers as intended.

Product Name(s)	Short-term Residential Property
Product Type	Consumer and Commercial Lines general insurance product
Product Status	This product is open to new business
Who is the product designed for?	Consumer and Commercial customers based within Great Britain, Northern Ireland, the Channel Islands and the Isle of Man who owners of residential, commercial or mixed portfolios of property.
Who is the product not appropriate for?	Customers under the age of 18
What are the mandatory product features that will meet the needs, characteristics and goals of the target market?	This product provides Buildings, Landlords Contents, and Property Owner's Liability cover as standard, up to agreed specified limits
